GenWare

GenWare

Established in *1965*, the *GenWare* product range has offered the perfect balance of quality, fitness for purpose and value for money covering a comprehensive range of catering products.

With an extensive *UK* stockholding and availability, *GenWare* lines can be selected and ordered for immediate dispatch across the *UK*, *Ireland* and *Europe*. Products and services are developed to meet the evolving needs of the professional catering sector.

Ask our sales team; they will be happy to help you find the right product.

Show Rooms

Visit our showrooms and explore our *GenWare* range, including the latest product launches. Based in *London*, *Manchester* and *Madrid*, these showrooms serve our customers *globally*.

The showrooms operate on an appointment only basis. Please contact us at *customersupport@nevilleuk.com* or contact your *Sales Manager* to book an appointment.

You can also scan the *QR Code* to book an appointment at our *London* showroom.

> *Our Showrooms are available for you to use and help you grow your business using the GenWare Range!*

GenWare

Introducing our exciting and innovative tableware and buffet items.

The raw elegance that is *Roko Sand*, and the luxurious *Pearl* are new additions to the *Terra Vitrified Porcelain* collection.

Various items such as the chic pink *Terrazzo Platters* and the variety of *Serving Cups* in attractive, on-trend colours enhance our *Table Presentation* category.

The *Acacia Wood Bread Box*, *Angled Crate* and *3-Tier Display Stand* enrich the *Buffet & Display* category even further!

All of these and more are highlighted as *New* throughout this brochure.

As well as this fantastic *March* launch, be sure to keep up to date on our website at *NevilleUK.com* in *September* for our next launch, along with an updated *Digital GenWare Brochure 2024*.

VITRIFIED PORCELAIN

Truly Unique

A glaze formula combined with high-temperature firing makes no two pieces look exactly alike. Colour intensity varies from piece to piece, creating a truly distinctive look.

Microwave, Dishwasher, Oven & Freezer Safe

Perfect for heating and cleaning requirements and protection against damage caused by thermal shock and temperature fluctuations.

Fully Vitrified

Low water absorption, more hygienic protection against bacterial growth, and improved heat retention properties.

Rolled Edge

More durable and functional for added chip-resistance in busy kitchen environments.

Conforms to BS4034 Quality Standard

Every piece is subject to rigorous quality checks to ensure product quality.

Polished Foot

Reduces damage when stacked and stored.

The Roko Sand range combines an appealing design inspired by nature's raw elegance and rustic characteristics to create a versatile tableware collection. Every piece is crafted with attention to detail, blending organic textures, distinguished patterns, and dynamic shapes, offering an exclusive choice that suits varied interiors and architectures.

The irregular glaze of our collection is a poetic echo of the windswept waves and the sandy embrace of the beach along the Black Sea.

Ideal to serve entrées, mains, soups, salads or snacks.

Terra© STONEWARE

Style & Colour

Terra Stoneware© is available in attractive colours and designs suited to various exciting food styles.

Colour Glaze Finish

Improves stain resistance and durability whilst providing an enhanced appearance.

Oven & Freezer Safe

Ideal for protection against damage caused by thermal shock and temperature fluctuation.

Microwave & Dishwasher Safe

Perfect for time-efficient heating and cleaning requirements.

Antigo range reflects the passage of time, which, combined with the beauty of craftsmanship, brings a one-of-a-kind collection of tableware. Available in rustic Antigo Stoneware, deep blue Antigo Denim and sandy Antigo Barley colours, it can perfectly enhance the dining experience.

Made from stoneware with stone-like qualities, the natural variations in the reactive glaze tell a tale of timeless elegance.

Antigo products will tend to show wear and tear to a greater degree than standard glazed white items.

Rustic Blue Stoneware range can easily impress through its elegant slight green undertone and predominant neutral blue colour. Perfect for serving entrée, mains, and sides inspired by popular cuisines such as South American, Spanish Tapas and Mediterranean. Features a glossy finish with rolled edges that provide excellent chip resistance.

Rustic Blue Stoneware items are made from stoneware, which boosts strength and durability, crafted to withstand the busy hospitality environment.

The minimalist yet rustic Sereno Collection combines effortlessly with other Terra Stoneware colour ranges to help create a stylish base for creative food presentation.

The coloured flecked edges, which is applied by hand making each piece unique, complement the off white body aiding the overall charm of the range.

Available with a Grey or Brown Rim colour.

Edge Chip Warranty

The Bonna product range identified with the 'Edge Chip Warranty Logo' challenge the toughest standards and can be used for years by fulfilling the HoReCa industry requirements.

Thermal Shock Resistance

Bonna products are durable against sudden temperature changes and under extreme temperature conditions in the kitchen with hard glaze surface and premium raw materials.

Dishwasher Safe

The high-resistance glazing process protects all Bonna products in highly corrosive industrial dishwasher environments to meet the fast cycle needs.

Microwave & Oven Safe

Bonna products can be safely used in microwave and oven even for the high-temperature requirements of restaurants.

Glaze Damage Resistance

Extensive R & D efforts along with state-of-the-art glazing techniques, offers high-level scratch resistance in all Bonna products.

Stackable Design

The stackable design offers the best and the most practical solution even in the tightest storage areas.

PORCELAIN

Bright White Finish For Professional Use

Compared to other porcelain alternatives, specially selected clays for a brighter white to give a good presentation.

Microwave, Dishwasher, Oven & Freezer Safe

Perfect for heating and cleaning requirements, and protection against damage caused by thermal shock and temperature fluctuation. Temperature range from - 40 to 250°C

Fully Vitrified

Low water absorption, more hygienic protection against bacterial growth and improved heat retention properties.

Conforms to BS4034 Quality Standard Manufactured Under ISO9001

Every piece is subject to rigorous quality checks to ensure product quality.

5 Year Chip Warranty

Includes thicker rims and edges for good impact resistance properties on selected lines for quality assurance.

Rolled Edge

More durable and functional for added chip resistance in busy kitchen environments.

Durable Glaze

Glaze hardness lasts longer to prolong product lifetime whilst improving stain resistance to enhance appearance.

Polished Foot

Reduces damage when stacked and stored.

STONEWARE

Style & Colour

GenWare Stoneware is available in an assortment of attractive colours and designs that lend themselves perfectly to a variety of exciting food styles.

Coloured Glaze Finish

Improves stain resistance and durability whilst providing an enhanced appearance.

Oven & Freezer Safe

Suitable for protection against damage caused by thermal shock and temperature fluctuation.

Microwave & Dishwasher Safe

Perfect for time-efficient heating and cleaning requirements.

Kava Stoneware boasts a harmonious fusion of an off-white glaze and a tactile unglazed finish, forming a captivating contrast for culinary creations. With its sleek and modern shapes, Kava embodies style and functionality, complementing the chic atmosphere of today's dynamic bistros, cafes and eateries.

COOK & SERVE

Bright White Finish For Professional Use

Compared to other porcelain alternatives, specially selected clays for a brighter white to give a good presentation.

Microwave, Dishwasher, Oven & Freezer Safe

Perfect for heating and cleaning requirements, and protection against damage caused by thermal shock and temperature fluctuation. Temperature range from - 40 to 250°C

Fully Vitrified

Low water absorption, more hygienic protection against bacterial growth and improved heat retention properties.

Conforms to BS4034 Quality Standard Manufactured Under ISO9001

Every piece is subject to rigorous quality checks to ensure product quality.

Heat Retention

The Cook & Serve products benefit from superior heat retention properties

Rolled Edge

More durable and functional for added chip resistance in busy kitchen environments.

Durable Glaze

Glaze hardness lasts longer to prolong product lifetime whilst improving stain resistance to enhance appearance.

The GenWare Copper & Gold Vintage Steel Collections are well suited to upscale casual dining and pairs beautifully with white or reactive glazed ceramic options. Perfect to use for presenting premium dishes, adding a hint of colour to this industrial looking range. It is ideally suited for popular plates such as steaks, burgers, Mediterranean and Middle-Eastern cuisines.

Expertly crafted from Stainless Steel, it features an industrial vintage finish with a durable copper or gold PVD coating, perfectly safe for direct food contact.

Our range of classic Enamelware is a traditional yet retro English style. The vitreous, double-coated Enamel resists stains, scratches and improves product durability. Like any other Ceramic, the outer Porcelain layer can chip over time, especially if dropped, revealing the Steel beneath it. When this happens, the Steel below naturally oxidises, and the Enamelware remains safe to use and adds character.

GLASSWARE
What is Tempered Glassware?

Tempering is a thermal process of heating a glass close to melting point then cooling it rapidly. This causes the outer surface of the glass to cool and shrink faster than the inside of the glass wall, creating a tight skin. This closes the many hairline fractures that naturally occur in regular annealed glass and make a vastly stronger product.

How strong is Tempered Glassware?

Tempered glass is five times stronger than regular glass. This characteristic is known as mechanical shock resistance, making it a cost-effective choice.

Are all Glasses Fully Tempered?

All glassware with a "T" icon on it is fully tempered from rim to foot, inside and out. Not all manufacturers temper to the same high standards.

Is Tempered Glassware more Resistant to Temperature changes?

Fully tempered items are resistant to 135°C temperature changes. This resistance is tested by taking an article of glass from the oven at 135°C and then plunging it into cold water. The glassware will not shatter or break.

What does Sheer Rim mean?

Sheer rim glasses feature a fine, beadless edge produced to give optimal contact with the mouth, enabling a superior drinking experience.

Sheer Rim

Sheer rim glasses feature a fine, beadless edge produced to give optimal contact with the mouth, enabling the wine to be directed to specific tasting areas.

Dishwasher Safe

Solid, durable, shock tested, and capable of industrial dishwasher cycles while maintaining clarity.

Heat Safe

Thermal shock tested, resistant to 135˚C and can withstand changes in temperature from hot to cold.

Seamless Flame Polished Stem

No seam between the bowl and stem, ensuring a more enjoyable drinking experience and an aesthetically pleasing glass.

Rim to Foot Tempered

Fully tempered glasses are resistant to mechanical shocks, extending the product's life by five times compared with non-tempered glass.

Ceramic Look & Feel

Creative product's design, detail and quality replicate the look and feel of ceramics & other materials, making it an excellent alternative.

100% Food-Grade Melamine

Creative products are manufactured from 100% pure Melamine, fully compliant with food grade standards & are regularly tested to ensure compliance with EU directives.

Durable & Strong

Using Melamine saves replacement costs, as it's significantly more durable than ceramics, making it the ideal choice for maximised return on investment.

Lightweight & Ease of Use

Protect users from strains with lightweight Melamine dinnerware, allowing them to carry large serving trays, deliver meals faster, and avoid hurting themselves.

Dishwasher Safe

Expedite clean-up and eliminate germs with dishwasher safe Melamine. Due to Melamine's high heat-retaining properties, it dries faster than standard dishware.

Design Innovation

Creative are experts in design and product innovation, delivering outstanding, original designs, precise product customisation and high-standard quality products.

Product Diversity

Creative offers a diverse range of Melamine products, including dishes, ramekins, display slabs, serveware essentials & more. Available in a wide range of colours and decorative styles.

Agra provides the perfect natural mineral effect canvas for food display. Inspired by the unique beautiful Marble pattern, Agra replicates the look and feel in a Melamine construction.

Agra is modernistic, contemporary and will add class and elegance to food presentation. Made from 100% food-grade Melamine, the Agra Collection is a robust and elegant solution for all food display and tabletop requirements.

• Premium look & feel, replicating Marble.
• Wide range of shapes & sizes.
• Durable.

The New Haven Collection is a rustic and contemporary collection that recreates the natural, wholesome appeal of Wood, but with all the added benefits of using 100% food-grade Melamine. The New Haven Collection is commercial dishwasher safe, making it much easier to manage than real Wood.

• On-trend look.
• Various colours available.
• Non-slip Silicone feet.

The Osaka Collection is made up entirely of Melamine, which, thanks to advances in manufacturing technology, looks just like Porcelain. With around 40% less Melamine used in the manufacturing process, these products still offer lasting performance, durability and are aesthetically pleasing, coupled with being price competitive. Carefully crafted, each plate and bowl in this collection has a textured shimmering white surface, making them exciting as tableware displays.

• Premium look.
• Shimmering textured finish.
